

## STEP 1:

Once you open the graphic click on **Edit > Edit Text & Images**

## STEP 2:

Right-click on the “REPLACE WITH YOUR LOGO” graphic and select **Replace Image**

## STEP 3:

Select your logo from your computer and resize

## STEP 4:

Finally, click **File > Save As** then choose a destination where you want to save the graphic and make sure to select **JPEG** in the Format dropdown
