Project EverGreen Honor Our Heroes Raffle

Rules and Regulations

BY PARTICIPATING, YOU AGREE TO THESE OFFICIAL RULES, WHICH ARE A CONTRACT.

1. Sponsor. Project EverGreen is the sponsor of the Honor Our Heroes Raffle (the "Raffle"), conducted in support of Project EverGreen's programs and services, including Renewal & Remembrance. Project EverGreen is a national not-for-profit corporation headquartered in Mentor, Ohio and is qualified as a 501(c)(3) exempt organization. Steel Green Manufacturing is providing the equipment awarded as the Raffle prize.

2. Raffle Overview. The Raffle will award one Steel Green equipment unit (the "Prize") to one eligible winner. The specific model and configuration of the Prize will be identified in the official Raffle promotional materials. No cash alternative or substitution will be provided except as determined necessary by Project EverGreen and Steel Green. Eligible units for the raffle include SG36, SG42, SG46, and SG52.

3. Eligibility. Any person 18 years of age or older, residing where the Raffle is not prohibited by law, may purchase a Raffle ticket ("Ticket") and be entered in the Raffle. Project EverGreen reserves the right to require proof of age and eligibility. Employees of Project EverGreen, employees of Steel Green, and employees of official Steel Green distributors are not eligible to purchase Tickets or win the Prize. If a selected winner is determined to be ineligible, that person will not receive the Prize and another eligible winner will be selected by random drawing.

4. Rules. By purchasing a Ticket, each Ticket Holder accepts and agrees to be bound by these Rules and Regulations (the "Rules") and all applicable local, state, and federal laws and regulations. Project EverGreen's decisions concerning the administration of the Raffle and the interpretation and application of these Rules shall be final. The Raffle is void where prohibited by law.

5. Releases and Limitation of Liability. By purchasing a Ticket or accepting the Prize, each Ticket Holder and winner releases and holds harmless Project EverGreen and Steel Green, together with their respective directors, officers, employees, agents, representatives, affiliates, and distributors, from any and all liability, claims, injuries, losses, damages, costs, or expenses arising from or related to participation in the Raffle, the selection of the winner, delivery of the Prize, or the acceptance, possession, operation, use, or misuse of the Prize, to the fullest extent permitted by law. Each Ticket Holder agrees to indemnify, defend, and hold harmless Project EverGreen and Steel Green from claims arising from that Ticket Holder's participation in the Raffle or acceptance or use of the Prize. The winner is responsible for following all manufacturer instructions and applicable laws relating to ownership and operation of the Prize.

6. Tickets. A maximum of 250 valid Tickets will be sold for the Raffle. Each eligible individual may purchase no more than three (3) Tickets. Odds of winning depend on the number of valid Tickets sold. A Ticket is not valid and will not be entered in the Raffle until full and satisfactory payment has been received by Project EverGreen. Tickets are not transferable once purchased. Amounts paid for raffle Tickets are not tax-deductible charitable contributions.

7. Failure of Payment. If a Ticket Holder's credit card payment is declined, a check is dishonored, or payment otherwise fails before the drawing, the affected Ticket will be null and void and will not be eligible to win. If an invalid Ticket is inadvertently selected, Project EverGreen will conduct another random drawing from the remaining valid Tickets.

8. Multiple-Party Tickets. Tickets must be purchased in the name of one eligible individual. If more than one name is associated with a Ticket, the first name listed will be deemed the Ticket Holder and, if selected and eligible, the winner. Project EverGreen and Steel Green will have no responsibility for any private agreement to share ownership or value of the Prize.

9. Raffle Drawing and Winner Selection. The Raffle drawing will be held on February 12, 2027. Each valid Ticket sold will be assigned a unique entry or ticket number. The winner will be determined by a random drawing from all valid Tickets sold. The Ticket Holder whose valid Ticket is randomly selected will be the winner, subject to verification of eligibility and compliance with these Rules. If the selected Ticket Holder is ineligible, cannot be verified, or fails to comply with these Rules, another Ticket will be selected at random. Ticket Holders do not need to be present at the drawing to win.

10. Claiming the Prize. The winner will be notified by phone and/or email using the contact information provided when the Ticket was purchased. Project EverGreen will make reasonable efforts to notify the winner within seven days of the drawing. The winner must claim the Prize and provide any requested proof of identity and eligibility within thirty (30) days of notification. If the Prize is not claimed within that period, the Prize may be forfeited and Project EverGreen may select an alternate winner by random drawing. The winner’s name may be announced on Project EverGreen’s website and through Raffle-related publicity.

11. Prize Delivery and Winner Obligations. The Prize will be made available for pickup by the winner at a location designated by Steel Green. Alternatively, the winner may arrange for shipping or delivery of the Prize at the winner's sole cost and expense. Steel Green will not be responsible for any freight, shipping, or delivery costs associated with the Prize. Project EverGreen and Steel Green will coordinate with the winner regarding the designated pickup location and transfer of the Prize. The winner is solely responsible for all federal, state, and local taxes, registration or licensing requirements, insurance, and any other fees, costs, or obligations associated with receipt, ownership, or use of the Prize. The winner may be required to provide identification and complete tax or other documentation before receiving the Prize. Ticket Holders and the winner are advised to consult their own tax advisor regarding the tax consequences of winning the Prize.
